Dr. Richard Sullivan

Dr. Richard Sullivan, “Sully” is a practicing dentist in Nashville, TN, where he oversees a state-of-the-art practice with six other doctors. Having joined his father's solo practice in 2015, he transformed a family-owned, occupied practice into a multi-million-dollar business.

His focus spans from clinical excellence and associate growth to leveraging technology, aiming to make dentistry more affordable for patients while enhancing profitability for the business.

Dr. Sullivan hosts the weekly podcast "Millennial Dentist," dedicated to practice growth and offering a real-life perspective on owning, running, and practicing in a dental practice.

Lastly, he is a partner in 3D Dentists, an educational company assisting dentists in reclaiming and expanding their practices to meet their goals, providing live patient clinical education focused on dental implants.

environments, he has spent years working with a wide range of resin materials to suit many challenging clinical situations.

Dr. Parrish King

Dr. Parrish King is a third-generation general dentist from Andalusia, Alabama. He received his Bachelor of Science from Auburn University in 2003. He received his DMD from The University of Alabama School of Dentistry in 2007. He thereafter moved to Jacksonville, FL for a one-year AEGD residency with the University of Florida College of Dentistry. The program focused on comprehensive treatment planning and complex rehabilitations. Upon completion of the program in 2008, he returned home to join his father in a three-doctor group practice. In 2017 they welcomed a 4th dentist to the group. His practice focuses on

providing specialty services in a general practice environment. From implants to impacted wisdom teeth removal with sedation, from adult orthodontics to composite resins on primary molars, he enjoys practicing as a “general dentist.” A self-proclaimed dental nerd, Parrish was awarded his Fellowship in the Academy of General Dentistry in 2013. He served as chair of the New Dentist Council for the Alabama Dental Association from 2011-2015. He was honored as the 2012 UAB School of Dentistry Outstanding Young Alumnus. He is currently the UAB SOD Alumni Association’s President. He is a member of the AGD, ALDA, AAID, AAFE, and proudly participates in the Donated Dental Services program. He spends his “time off” outdoors whenever possible. In addition, Parrish is a hobby honey beekeeper with over 30 hives in the “4 Kings” apiary.
